HAVE THE COURAGE TO LIVE YOUR STORY

In every job Patty has had, regardless of paid, unpaid, level, job description, type or status, she has relentlessly pursued one goal: Be the best that she can be to help others be the best that they can be. Patty will bring the best that she has to offer in her coaching sessions and public speaking endeavors.

TESTIMONIAL

Working with Patty was eye-opening in all the best ways! Her coaching style – direct and clear, while empathetic and relatable, immediately made me feel energized to try to put her advice into practice. Well after our coaching ended, I find myself replaying discussions we had and thinking back to the “wins” I’ve achieved thanks to her guidance. I highly recommend working with Patty! – Rory M.
